Brand New Book ***** Print on Demand *****.Excerpt from Guide to the Materials for American History, in Roman and Other Italian Archives In any series of guides to the materials for American history in foreign archives, the Roman archives deserve a prominent position and early treatment. Two reasons justify this statement. In the first place, although the documents in those archives relate primarily to ecclesiastical affairs, yet religious history constantly deserves the attention of the student of civil as well as of ecclesiastical history, and the influence of the Catholic Church and the scope of its operations can never be appropriately defined within confessional limits. In the second place, of all the great national archives of Europe there are none that have been so little exploited for purposes of American history as those of Rome and Italy. With these considerations in view, Dr. Carl Russell Fish, professor of history in the University of Wisconsin, was asked to give his aid to the Department of Historical Research as a Research Associate of the Carnegie Institution, and to undertake the preparation of the following manual. His...
