## Hallelujah (Hardback)

By Lynn E Ray

SIMPLY READ BOOKS, Canada, 2010. Hardback. Condition: New. Language: English . Brand New Book. Using illustration to tell the story, this wordless book engages its readers by way of visual clues. A lonely soul, symbolized by a white glove, is mopping a church floor when it discovers a rose under a piano bench. Picking the rose up, the glove stops to play some music, but it can't play Hallelujah -- two hands are needed. Will this forlorn soul find a companion? In this testament to the storytelling power of pictures inspired by a well-known New Testament verse, love triumphs loneliness, making it a story of grace in the truest sense.
