Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Excerpt from A Compilation of the Messages and Papers of the Presidents, Vol. 8 The principle itself is one of disintegration, and upon which no government can possibly endure. If all the States save one should assert the power to drive that one out of the Union, it is presumed the whole class of seceder politicians would at once deny the power and denounce the act as the greatest outrage upon State rights. But suppose that precisely the same act, instead of being called driving the one out, should be called the seceding of the others from that one, it would be exactly what the seceders claim to do, unless, indeed, they make the point that the one, because it is a minority, may rightfully do what the others, because they are a majority, may not rightfully do. These politicians are subtle and profound on the rights of minorities. They are not partial to that power which made the Constitution and speaks from the preamble, calling itself we, the people. It may well be questioned whether there is to-day a majority of the legally qualified voters of any State, except, perhaps, South Carolina, in favor of disunion. There is much reason to believe that the Union men are the majority in many, if not in every other one, of the so-called seceded States. The contrary has not been demonstrated in any one of them. It is ventured to affirm this even of Virginia and Tennessee; for the result of an election held in military camps, where the bayonets are all on one side of the question voted upon, can scarcely be considered as demonstrating popular sentiment. At...
