INDIE SUCCESS: FROM DREAMER TO ESTABLISHED AUTHOR IN ONE YEAR

Evil Toad Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you dream of making a living as a writer? Great! Because Indie Success: From Dreamer To Established Author In One Year is your blueprint for how to do exactly that. There are a lot of books out there, which teach you how to format your e-book, or get the most out of this month's popular print on demand platform. Or which promise immediate sales, using gimmicky and often dishonest tactics. But this is the only book, which lays out, step by step, how to transform your fantasies of a writer's life into the real deal. How to actually make a meaningful living, over the long term, from the fruits of your artistic labors. From understanding the nuances of the publishing process to marketing your book-successfully, and for free-to developing a business plan that will actually work for you, rather than against you, this is the advice you need when you're ready for the next step. When you're ready, not just to publish a book but to embark on a new career. Success in this-or any-field takes hard work. And it isn't automatic. You need a good book, a solid work ethic, and the willpower to translate that solid work ethic into more good books. But if you're ready to work hard, and to take some, at times, hard advice, then you're ready to read this book.
