On Demand Publishing, LLC-Create Space, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Published in 1859, John Stuart Mill's On Liberty presented one of the most eloquent defenses of individual freedom in nineteenth-century social and political philosophy and is today perhaps the most widely-read liberal argument in support of the value of liberty. Mill's passionate advocacy of spontaneity, individuality, and diversity, along with his contempt for compulsory uniformity and the despotism of popular opinion, has attracted both admiration and condemnation. About John Stuart Mill: John Stuart Mill, British philosopher, political economist, civil servant and Member of Parliament, was an influential liberal thinker of the 19th century. He was an exponent of utilitarianism, an ethical theory developed by Jeremy Bentham, although his conception of it was very different from Bentham's. A Connecticut Yankee in King Arthur's Court by Mark Twain is a must read classic. It is so much more than Bing Crosby fooling the medieval English into believing he created a solar eclipse. It is so much more than a time travel novel and anachronistic knowledge. It is so much more even than a satirical vehicle to examine the deficiencies in romantic England and a tongue in cheek critique of his own nineteenth century culture. WARNING: Some of my political views are discussed in this VERY LONG review. I don't think there is anything offensive but with politics, you never know. Therefore, in case anything I say upsets anyone, I have included several very CUTE kitten photos by way of apology. Eccentricity has always abounded when and where strength of character has abounded; and the amount of eccentricity in a society has generally been proportional to the amount of genius, mental vigor, and moral courage which it contained. It...
