

## Never Too Late to Remember

Filesize: 3.39 MB

### **Reviews**

*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*(Mrs. Josiane Collins)*

## NEVER TOO LATE TO REMEMBER

Hardback. Book Condition: New. Not Signed; Why did New York City, the largest centre of Jewish culture and home to more survivors than any other city in the United States, take more than half a century to finalise plans for its Holocaust memorial? Because the process of memorialising any historical event is inevitably political, Rochelle Saidel explains, and she gives a detailed analysis of how various groups within the American Jewish community, local power brokers, real estate developers, and major political players have all influenced the memorial's progress. *Never Too Late To Remember* traces the history of the numerous attempts to create a Holocaust memorial in New York City that began in 1946-47, and focuses on the present project, initiated by Mayor Edward I. Koch in 1981, which is scheduled to open in 1997. A Living Memorial to the Holocaust, the Museum of Jewish Heritage stands on the shore of the Hudson River, facing the Statue of Liberty and Ellis Island. Saidel is frank in attributing the many false starts and delays to conflicting political agendas, tensions among project organisers, and broken promises and commitments. More than a story of back-room politics, *Never Too Late To Remember* places New York City's project in the broader framework of Holocaust memorialisation, thereby examining the dynamic between memory, ideology, politics, and representation. book.
