On Demand Publishing, LLC-Create Space, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Hours was created through years of trial and error, looking for the perfect time management and creativity tool. Inspired by dot grid bullet journaling, productivity hacks and cognitive behavioral therapy it gives you just enough freedom and does not stand in the way of your creativity when looking for a way of making things happen, yet is structured enough to relief you from writer s block or blank page syndrome. Hours doesn t impose a productivity system on you, because years of trying out many of them showed that none of them solve all of the problems you face in planning and managing your daily life. You have to create your own productivity system. It leaves you full creative freedom - two large dot grid pages per day to fill in with your best plans, moments, ideas, you name it. We found dot grid to be the perfect structure of...
