Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If you are reading this now, and find yourself in the all too common situation where: *You owe more on your home than what its worth, *You can no longer afford the payments on the loan(s) you have, and *You don t know what to do .then you can start feeling comfortable right now. Why? Because, first off: you re not alone. Second: not knowing what to do is OK because that s the place to start. Lastly: we d all be wise to let go of any remaining notions of shame we may be holding onto because, by now, you d be hard pressed to find someone who hasn t been affected by the housing market s demise in some way. Now, the question remains: what to do about it? Well, if you are like most, then one or all of the following apply: 1) Everything you hear about loan modification, short sales and foreclosures, etc . sounds like drunk sailor talk when all anybody has offered you to drink so far is a warm glass of water. 2) You scour the internet for helpful information and all you seem to find are forums of useless chatter money hungry schemes that leave you no closer to where you want to be (and sometimes holding a bill). 3) All you want is for someone to explain what your best options are, in a format that could be easily understood by a 7 year old - and not make it so unnecessarily dry and boring in the process. If you can find yourself in these truths, then holding this book is the first step in what will be your eventual resolution. First off, this...
