HYSTOPIA (PAPERBACK)

FABER FABER, United Kingdom, 2017. Paperback. Condition: New. Main. Language: English . Brand New Book. At the bitter end of the 1960s, upon his return home from combat in the Vietnam War, twenty-two-year old Eugene Allen writes a novel called HYSTOPIA. It is set in a strangely destabilized historical moment, where President Kennedy is entering his third term in office, and a new federal agency maintains the mental health of returning soldiers by wiping their memories through drugs and therapy, while those beyond help roam at will, re-enacting the atrocities they have witnessed. Outlandish and tender, funny and violent, timely and historical, Hystopia is a wild, gonzo experience about the nature of trauma, homecoming, and the redemptive power of storytelling.
