By Rebecca Rowell

Coughlan Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Social media is everywhere in society today. It can be a great tool for communication-- but it is easily abused. Should you craft a careful social media presence? Or is it better to just stay away? Perspectives Flip Books are like two books in one: Start from one end and learn why people are logging off. Then flip it over and discover why others believe responsible social media use can be beneficial.
