There are ten epistles that have meant a lot to me; some over many years and some in more recent time. I want to write about them. Unlocking The Secrets Of Second Thessalonians is the fourth book I have done in this series. The Apostle Paul, with Silas and Timothy, had spent three weeks evangelizing in Thessalonica, but evil men chased them out. These evil men didn't stop there, they traveled forty miles to Paul's next destination and chased him out of their also. Sometime later Timothy was sent back to help the new church. A short time later Paul wrote his two epistles to the Thessalonians. In this three chapter epistle Paul talks a lot about persevering through times of trouble. He also talks about the end times because some false teachers were upsetting their faith. Paul also deals with a troubling situation of some of the brethren acting like busy-bodies and doing no work at all. I do hope you will come along with me as we unlock the secrets of Second Thessalonians, and apply it to our lives.
