

Maldon: A Guided Tour (Paperback)

By Ian Thurgood

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Maldon: A Guided Tour is both as an easy read and a handy walking guide: The first written mention of Maldon was in the Anglo-Saxon Chronicle of 913, although there was a settlement in this place for several hundred years prior to that. In 913 it was known as Maeldun, or monument on the hill . Best known for The Battle of Maldon, for Maldon Sea Salt and perhaps these days for Maldon Mud Race, it is a flourishing riverside town with a population of over 60,000 inhabitants. Maldon sits atop a hill, overlooking the rivers Blackwater and Chelmer and beyond them, the North Sea. It lays some 40 miles northeast of London, with rail and road links to our capital city. One hour s drive northeast is the Port of Harwich with ferry links to Holland, whilst a similar distance to the northwest is Stansted airport with national and international flights carrying over 20 million passengers each year. In a circular walking tour, Ian Thurgood explores some of the best-loved parts of Maldon adding his own personal touches...

Reviews

This ebook is very gripping and intriguing. I have got read through and i also am confident that i will gonna read through yet again again down the road. Its been written in an extremely straightforward way and it is merely right after i finished reading this book through which actually altered me, alter the way i really believe.
