

## Climate Change Apocalypse

By Jack McGinnigle

Highland Books. Paperback. Book Condition: new. BRAND NEW, Climate Change Apocalypse, Jack McGinnigle, Read Proverbs, Ecclesiastes, Job and you will see practical, obedient, spiritual commonsense. In the same spirit with more method and less poetry, Jack McGinnigle listens to the warnings of the IPCC and shows why, despite uncertainties it is foolhardy to dismiss climate change. The obvious response is the golden rule of Matthew 7, do as you would be done by. The author goes through industrial and personal strategies which could be thought to obey that teaching in relation to man made global warming. Is it worth writing about things that 'go without saying'? Ask 'Dives', the rich man who ignored both the beggar Lazarus and the Torah!
