Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Brian Miller)

LAST OF THE PUFFERMAN (PAPERBACK)

NEIL WILSON PUBLISHING, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. For any fan of the exploits of Para Handy and the motley crew of the Vital Spark, this memoir is not to be missed. Keith McGinn's capers on the puffers off Scotland's West Coast are funnier than Neil Munro's tales at times, but they are also sadder too. The thing is, all of these stories are true. McGinn worked on those puffers, man and boy, for nearly 40 years and this is his story. He was there. Neil Munro's tales are classics and part of Scottish comic folklore, but they are a hundred years old. There have been faux tales published in recent times that have attempted to recreate Munro, but this is the real McCoy - or rather, the real McGinn. There have also been various books and histories of the puffer trade but what has been lacking in them is the real story of the men who worked on these famous little Scottish ships. The story from their perspective is not known to many. They were men who could tell the tale of what it was really like to deliberately beach the boats, to discharge a coal by shovel and bucket, to sail the Minches in the dead of winter and occasionally repair to the pub for some relaxation. The puffer trade came to a sad end in 1994 but from 1966 until then Keith McGinn saw the trade through to its demise. He began as a deckhand on one of the traditional 66-ft classics and ended his career as a master on a 600-tonne coaster all the while taking the necessities of life to the remote Highlands and Islands of Scotland. Keith McGinn does not glamourise this...
