CONSULTANCY PROJECTS AND ENTREPRENEURS

Mittal Publications, New Delhi, 1993. N.A. Book Condition: New. Xiv+216pp Consultancy in medical and legal professions is well accepted in the society but its need in industrial and technical sectors especially by the small entrepreneurs is not well appreciated. The entrepreneurs from backward regions are not familiar with the role of consultancy. The cost of consultancy services is also high. it is in order to fill in this vital gap that the all-India and state-level financial institutions and the lead...

Reviews

Great eBook and useful one. it was actually writtern really completely and useful. You are going to like the way the article writer publish this publication.

-- **Prof. Ernestine Emar**

Merely no phrases to describe. It generally does not price an excessive amount of. Its been designed in an extremely simple way in fact it is simply soon after i finished reading through this pdf through which really altered me, modify the way i really believe.
