**MCRP 3-40E.1 RECOVERY AND BATTLE DAMAGE ASSESSMENT AND REPAIR (BDAR):  
FORMERLY MCRP 4-11.4A AUGUST 2014 (PAPERBACK)**

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Soldiers and officers that perform recovery operations/battle damage assessment and repair for the Army perform a vital role of keeping their units and Army personnel safe while maintaining and providing the effective operational readiness rates needed to accomplish the mission. Recovery personnel, as identified in this publication, include every person that plays a role in recovery operations or battle damage assessment and repair. This includes professional recovery personnel, such as maintenance control officers, warrant technicians and maintenance teams. All personnel involved in recovery operations/ battle damage assessment and repair need to understand the environment in which they operate. This manual provides information on recovery support to unit operations also including the Joint environment. It is imperative for all personnel engaged in recovery operations/ battle damage assessment and repair support operations to have an understanding of the various staff organizations that have a role in recovery planning and support. It will be necessary for a recovery support activity to contact the higher, lower, or adjacent headquarters (both sustainment and operational) to coordinate support, report status, request technical assistance, or request additional resources. This manual will present the roles and mission of the various recovery organizations so that proper coordination can be conducted. The guidelines in this publication should be followed as closely as possible within the constraints and restrictions of the tactical situation.
