Reviews

Here is the finest publication i have read through until now. I am quite late in start reading this one, but better then never. I am just easily can get a pleasure of studying a created publication.

(Morgan Bashirian)

I KNOW WHEN THE RAINBOW COMES

Soulful Storytellers Incorporated, United States, 2013. Paperback. Book Condition: New. MR Terrell D Perkins (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Rainbows exist beyond the visual construction of the naked eye. The definition of a rainbow is far beyond the colors that streak across the sky. This story explores creative appearances of rainbows from a child's view. Quinn shared her vision at the age of three and refined it age six. It's an interactive workbook geared to pre-school and kindergarten age children which lends itself to common core friendly skill building activities such as: recognition of rhyming words, responding to questions, recognition of placement and stimulating creative thought.
