MOMMA LOMBARDO S RECIPES: A TASTE OF BELLOSGUARDO

Outskirts Press, United States, 2012. Paperback. Book Condition: New. 248 x 174 mm. Language: English . Brand New Book ***** Print on Demand *****.My Mother s Heritage. A collection of more than 50 recipes of delicious traditional Italian dishes described in an easy to prepare manner. The author, Michael E. Lombardo, holds a Bachelor of Arts degree from Columbia College and Master of Science and Doctor of Philosophy degrees in biochemistry from Fordham University. Following his completion of graduate studies, he joined the Departments of Urology and Biochemistry at Columbia University College of Physicians Surgeons in New York and headed a research team in endocrinological research directed at understanding the nature of hormonal influence on prostate and breast cancer. His studies contributed to the elucidation of the biochemical pathways in the synthesis of adrenocortical hormones by the human adrenal and the identification and quantification of hydrocortisone in human adrenal vein blood. After leaving Columbia University, he served as a consultant to industry in the development of clinical laboratory methodology and instrumentation and for many years served as a director of a medical laboratory serving many community hospitals and the public. In 1990, Dr. Lombardo relocated to Florida to set up a prostate cancer research effort at the Bay Pines Veterans Administration Medical Center in Bay Pines, Florida. As a Research Associate at the Bay Pines VAMC and Assistant Professor in the Division of Urology/Department of Surgery at the University of South Florida College of Medicine, he dedicated all his efforts to the study of the biochemistry of prostate cancer. Dr. Lombardo has also held adjunct professorships at several colleges lecturing in biochemistry and clinical chemistry and has published over 40 manuscripts in leading scientific journals.
