

## Selected Poems: Sir Thomas Browne (Paperback)

By Sir Thomas Browne

Carcenet Press Ltd, United Kingdom, 2006. Paperback. Condition: New. Annotated edition. Language: English . Brand New Book. Sir Thomas Browne (1605-82), physician and philosopher, is celebrated principally for his *Religio Medici* and his study of burial customs, *Urn Burial* , masterpieces of English prose. But a portrait of Browne as a 17th-century intellectual must include much that is rarely seen except by specialists. The *Pseudodoxia Epidemica* , for example, tracts, letters to naturalists and antiquarians, notebooks and observations on natural history, are neglected. This modernised edition includes the complete text of *Urn Burial* , selections from *Religio Medici* , and much else to give account of Browne as doctor, scientist, philosopher, Christian, political and social being. Designed for those unfamiliar with Browne s sometimes opaque prose, it includes substantial annotation and a full introduction.
