

## Independence and Economic Security in Old Age (Hardback)

By Frank Denton

University of British Columbia Press, Canada, 2002. Hardback. Condition: New. New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. As boomers move towards retirement the phenomenon of population aging has become a much-publicized issue. Independence and Economic Security in Old Age focuses on the economic and social implications of aging at the level of the individual and of society as a whole. The product of a three-year research program, the book contains chapters by recognized experts in the fields of economics and econometrics, sociology, social work, medicine, epidemiology, gerontology, and nursing. The book first looks at some basic demographic issues, including the definition of old, the changing age distribution of the population, and the demographic outlook for the next several decades. It then moves into the area of family relations, health, and economic security. The concept of independence among the elderly is examined and the degree of preparedness for old age by different elderly or soon-to-be elderly cohorts is considered. The measurable social contributions of the elderly are also discussed in juxtaposition with the benefits they receive. The book continues with an...
