REDEEMING FLESH (PAPERBACK)

CASCADE BOOKS, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Why are zombies consuming the popular imagination? This book--part social analysis, part theological critique, and part devotional--considers how the zombie can be a way to critically situate our culture, awash with consumer products. Matthew Tan considers how zombies are the endpoint of social theory's exploration of consumer culture and its postsecular turn towards an earthly immortality, enacted on the flesh of consumers. The book also shows how zombies aid our appreciation of Christ's saving work. Through the lens of theology and the prayer of the Stations of the Cross, Tan incorporates social theory's insights on the zombie concerning postmodern culture's yearning for things beyond the flesh and also reveals some of social theory's blind spots. Turning to the Eucharist flesh of Christ, Tan challenges the zombie's secularized narrative of salvation of the flesh, one where flesh is saved by being consumed and made to die. By contrast, Jesus saves by enacting an alternative logic of flesh, one that redeems the zombie's obsession with flesh by eucharistically giving it away. In doing so, Jesus saves by assuming the condition of the zombie, redirecting our logic of consumption and fulfilling our yearning for immortality. Exploring the popular meme concerning all things Zombie, Matthew Tan follows their shambling steps from the Enlightenment anxiety concerning death, to the attempt to gloss over death in this our hyper-consumerist and increasingly virtual world. He finds that haunting our world is a loss of the sense of the sacramental. If you want to know what it is the new Christian cultural critique is saying, this is the book for you. In what is both an engaging and academic work of cultural critique, Matthew Tan...
