Reviews

*Unquestionably, this is actually the very best job by any article writer. I have read and that i am certain that i am going to planning to go through once again once more in the foreseeable future. I realized this publication from my i and dad advised this pdf to find out.

Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, The Serpent of Eridor, Alison Gardiner, Attacked by an assassin, and positive that the next attempt will be fatal, 14-year-old Alex Weston seizes the slim chance of survival, choosing to abandon ship in a tropical typhoon. Subsequently shipwrecked onto the island of Eridor with his hamster Skoodle, Alex unwittingly crosses the barrier into a world of enchantment. He soon discovers that his beloved pet is not just a hamster, but rather a funny, opinionated, reluctant hero who regularly takes advice from his dead uncle. While on the island, they befriend a brilliant, ebullient monkey, a warrior bear and a sarcastic snake. Possessing no magic abilities himself, Alex is armed only with bravery, loyalty, sheer cussedness and wit as he fights to save his life and his friends. He must also wrestle with the suspicion that a few ounces of added rodent doesn't make him the strongest fighting unit on the island. On his journey, Alex is pursued by murderous crocodiles, engulfed by a man-eating mud swamp and attacked by vengeful wizards. But all that feels like a warm-up in comparison to his final challenge. The Serpent of Eridor is an adventure thriller threaded with humour that will appeal to children aged eight-twelve. Vivid, graphic and containing both the wonderful and the weird, it is a fast-paced story full of twists and turns. Inspired by authors such as C. S. Lewis and Anthony Horowitz, author Alison is fascinated by the genre of fantasy and enjoys weaving wild and bizarre aspects into her adventure series, including the sequel Alchemy.
