THE SUCCESS BOOK

Condition: New. Publisher/Verlag: LID Publishing | A personal, honest, and insightful message from a man who hit rock bottom, and came back stronger. | Success is often measured by financial successes and business achievements. The intention of this book is to help entrepreneurs, leaders and individuals to reflect and re-evaluate their current level of success, to see whether it is serving them or the people around them. Where their notions of what it is to be successful have come from, and whether they now feel appropriate to them. Authentic Success is by its very nature a personal journey of exploration and there are no rights or wrongs to each journey. What matters is whether it resonates with you. This book enables you to create a life path for yourself that is more harmonious for you to enjoy and experience, which in turn is more harmonious and satisfying for those around you. In that way we all could achieve more with less effort and less strife, which ultimately will help the world, become a slightly better place to live in. | Format: Hardback | Language/Sprache: english | 187 gr | 181x120x15 mm.
