## The Joy of Sex: Lust, Love, Longing in the Ancient World

By Vicki Leon

WALKER CO, United States, 2013. Paperback. Book Condition: New. 175 x 175 mm. Language: English . Brand New Book. In her previous books, Vicki Leon put readers in the sandals of now obsolete laborers, ranging from funeral clowns to armpit pluckers, and untangled the twisted threads of superstition and science in antiquity. Now, in this book of astonishing true tales of love and sex in long-ago Greece, Rome, and other cultures around the Mediterranean, she opens the doors to shadowy rooms and parts the curtains of decorum. Leon goes far beyond what we think we know about sex in ancient times, taking readers on a randy tour of aphrodisiacs and anti-aphrodisiacs, contraception, nymphomania, bisexuality, cross-dressing, and gender-bending. She explains citizens fear of hermaphrodites, investigates the stinging price paid for adultery despite the ease of divorce, introduces readers to a surprising array of saucy pornographers, and even describes the eco-friendly dildos used by libidinous ancients. Love also gets its due, with true tales of the lifelong bonds between military men, history's first cougar and her devoted relationship with Julius Caesar, and the deification of lovers.
