

The Jamestown Windmill (Classic Reprint)

By Maud Lyman Stevens

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Jamestown Windmill There lies, near the mouth of beautiful Narragansett Bay a pleasant island, still retaining its Indian name of Conanicut. Parallel with the island of Rhode Island, and not more than two miles distant from it, it is even nearer to the mainland on the other side, here called the Narragansett country. Nine miles in length and with some diversity of high and low lands, Conanicut affords a variety of delightful views, and has preserved, to a remarkable extent, its country like appearance, in spite of its close proximity to so fashionable a summer resort as Newport. Just at the most convenient part of the island for passing, a long road stretches across from side to side, connecting the two ferries that ply in the bay, and affording a convenient route from Newport to the mainland, and so on to Connecticut and New York.
