Reviews

It is really an awesome ebook that we actually have actually study. It can be loaded with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Mr. Coleman Ortiz)

INSTANT APPLE CONFIGURATOR HOW-TO

Packt Publishing. Paperback. Condition: New. 88 pages. Dimensions: 9.2in. x 7.5in. x 0.2in. Gain full control and complete security when managing mobile iOS devices in mass deployments Overview Learn something new in an Instant! A short, fast, focused guide delivering immediate results. Configure group settings to personalize and secure your devices. Deploy multiple profiles. Upload and manage mass applications swiftly and easily In Detail The Apple configurator is an incredible piece of software which grants full control in mobile device management, but on a larger scale. The popularity of people taking their own devices to work has grown tremendously. However, valued professional and personal information is at risk, through loss, theft, or hacking. Instant Apple iOS Configuration How-to is a hands-on guide that eliminates any worries that are associated with the deployment and security of iOS devices. This book provides practical, quick win solutions to combat these issues, with clear, concise, and informative examples providing solutions to secure, remote wipe, and encrypt devices. The book will further explore how to personalize iOS devices for configuration and deployment. With the Instant Apple iOS Configurator Utility Book How-to, learn to build profiles with customised control settings, with examples on how to capture device information and use console logs for added protection. You will become skilled at tracking and installing provisional profiles for greater security. We will also explore developing workflows for successful deployment, installing software and applications whilst managing files on iOS devices, and how to deploy enrolment profiles for mobile device management solutions en masse. If you are looking for a complete guide that provides simple solutions to complex problems, look no further. What you will learn from this book Build your own customised profiles and control settings on iOS devices. Explore the full power of the Apple configurator. Develop creative workflows...
