Date :2010-07-05. students of foreign languages should be aware of what they have learned the language of the country s geography. history. politics. culture. social customs and the people s minds. attitudes and way of life. but over the years. but little attention to foreign language teaching background knowledge of these cultures. resulting in read three or four years of English majors still do not know John Bull of the mass. it not laughable to some people learn the language and acquire knowledge against each other. not knowing the language level is comprehensive knowledge of the collection. Whether it is studying English and American Literature. British and American newspapers. or reading. language is not the only difficulties. lack of background knowledge is often down a major obstacle. Moreover. Chinese and Western world in the political. historical. and cultural aspects are quite different. a Chinese student in Western culture to understand what the difficulties will be encountered is conceivable based on this understanding. we five years ago on the creation of the Anglo-American overview class. But then could not find a suitable teaching materials. we had the students write some sporadic materials to meet their urgent needs. Later. we collected these materials. to collate processing. to add. to make it more systematic. so he prepared a set of American Profile teaching now. and do new additions and amendments. the official publication. hoping it would become the students to broaden their horizons. broaden their knowledge of good friends in the writing process. we refer to the Teachers College. Anglo-American English curriculum overview. and outline content to do the appropriate adjustments and additions so that...
