Createspace Independent Publishing Platform, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Divorce Bible For Women is unlike any other book about divorce currently available on the shelves. Simply reading an armchair book about the law of divorce rarely prepares a woman for the bizarre world of real divorce proceedings. Few are written from only a woman s perspective. We write for those women who are frantic, feeling extreme angst over the breakup of a marriage while simultaneously juggling children and a job, and who are possibly in dire financial distress. The Divorce Bible for Women is the book you hoped to find when experiencing the agonies of divorce, and even after the divorce decree is entered. Within its pages are suggestions and strategies based upon the actual experiences of many other women. We have practical wisdom to share and The Divorce Bible for Women will assist you in gaining confidence and taking control.

*Great electronic book and useful one. It can be writter in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
