Sebastian is a feral country cat whose life dramatically alters after one secondary error of judgement. This unfortunate little creature finds himself trapped inside a removal van that s heading southwards at fifty-six miles per hour. Once in the Big City he escapes only to be rescued by an animal shelter, still, Sebastian doesn t quite see it that way and this traumatised animal tells of his hostage experience in this light-hearted, tongue in cheek tale. Delightful! Had me laughing aloud - Fun to read -.
