Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A disaster can strike you anywhere and anytime. There is often very little time or even no time for you to prepare for an emergency situation. If you are not prepared for a disaster, you might end up with no access to food, water, electricity, medicines, and other essentials. It may be days or even weeks before any help reaches you or your family. Despite knowing all this, more than half the population in the United States has no emergency kit or a plan ready to face a disaster. What we need to understand is that preparing an emergency kit may be the difference between life and death for us and our families. But what is that you will need in case of a disaster? Can one emergency kit help you deal with all kinds of disasters? Do you need a separate kit depending on the place where you live or the age of your family members? Find out right here and get prepared for an emergency situation immediately.
