Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. The 1998 Asian Junior Men s Volleyball Championship was held in Azadi Volleyball Hall, Tehran, Iran from 8 October to 15 October, 1998. Volleyball is an Olympic team sport in which two teams of six players are separated by a net. Each team tries to score points by grounding a ball on the other team s court under organized rules. The complete rules are extensive. But simply, play proceeds as follows: A player on one of the teams begins a rally by serving the ball from behind the back boundary line of the court, over the net, and into the receiving team s court. The receiving team must not let the ball be grounded within their court. They may touch the ball as many as three times. Typically, the first two touches are to set up for an attack, an attempt to direct the ball back over the net in such a way that the serving team is unable to prevent it from being grounded in their court.
