As the national bestselling Cookie Cutter Shop mysteries return, things are heating up for Olivia Greyson, her best friend, Maddie, and the rest of the crew at The Gingerbread House--until a cold case puts their plans on ice. Olivia s mom, Ellie, is always cooking up new schemes, but her latest idea has Livie and Maddie especially excited. Ellie s converting an old boarding house into an arts and crafts school--one that, of course, houses a kitchen for those interested in baking. But right as renovations start, the workers discover a pile of bones buried within the boarding house s walls, evidence of a long forgotten crime. A silver necklace with a cookie cutter charm is found within the remains, convincing one of the workers that the bones are the remains of her father, who s been missing for over five years. Of course, Livie and Maddie can t resist the allure of investigating. But they re about to discover that digging up the secrets of the past can be deadly dangerous. RECIPES INCLUDED.
