Reviews

This sort of book is every little thing and made me searching ahead and more. Sure, it is actually play, nonetheless an amazing and interesting literature. You wont feel monotony at whenever you want of the time (that's what catalogs are for relating to in the event you ask me).

(Gavin Bosco IV)

CODEX JUNIUS 11 (DODO PRESS) (PAPERBACK)

Dodo Press, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.MS Junius 11 (Caedmon or Junius manuscript) is one of the four major Anglo-Saxon poetical codices. It contains works known by the titles Genesis, Exodus, Daniel, and Christ and Satan. The popular name of the codex is the Caedmon manuscript, after an early theory that the poems it contains might be the work of Caedmon; the name has stuck even though the theory is no longer considered credible. In more recent works it is commonly referred to either by its Bodleian designation MS Junius 11, or as the Junius manuscript or Codex Junius; Junius here is Franciscus Junius, who published the first edition of its contents in 1655. The compilation was in two stages: the initial version of the manuscript contained Genesis, Exodus, and Daniel, and was the work of a single scribe. Later the final poem, Christ and Satan, was added by several other scribes.
