RAINBOW READER PURPLE: DESTRUCTIVE LOVE

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Rainbow Reader Purple: Destructive Love This book includes content from the original, now super-secret manuscript, Moments in Time: It is never too late to come out, and has been modified, embellished and enhanced based on reader interest in the characters from the original series. There is really only one moment in time we can cherish, that we remember through all of the good and bad times in our lives. If you can take that one moment of time and cherish it forever, it can bring joy where there is sorrow; happiness and hope where there is despair. This is a secret that we hold true to ourselves, to our hearts. Sometimes you remember the first kiss, the first time you fell off your bike, and the person who was there to pick you up, or when you fell out of the tree, you remember who carried you bleeding to the hospital, or cleaned up your wounds and gave you encouragement and inspiration to go on. But it is this secret you hold true deep down inside that you can sometimes forget. When all else fails, it was the one true thing that you were supposed to hold onto, it molds you into who you are, and who you will be. It helps you evaluate who you were, where you were, and gives you focus on who you want to become, and where you want to go. Purple: Destructive Love is the sixth of the Rainbow Reader series that reveals the sexual discovery, encounters and developing adventures that define the main character as he interacts with characters the readers wanted to know more about from the original Moments in...
