Norma Anders has always prided herself on her intelligence and determination. She climbed out of poverty, put herself through school and is now a chief financial advisor at Pierce Industries. She s certainly a woman who won t be topped. Not in business anyway. But she s pretty sure she d like to be topped in the bedroom. Unfortunately most men see independence and ambition in a woman and they run. Even her dominant boss, Hudson Pierce has turned down her advances, leaving her to fear that she will never find the lover she s longing for. Then the most unlikely candidate steps up. Boyd, her much-too-young and oh-so-hot assistant surprises her one night with bold suggestions and an authoritative demeanor he s never shown her in the office. It s a bad idea.such a deliciously bad idea.but when Boyd takes the reins and leads her to sensual bliss she s never known, the headstrong Norma can t help but fall under his command.
