

Science vs. Bible vs. Quran (8) the Subatomic Weight: The Quran Preceded the Sciences and the Bible Contradicts the Sciences

By Dr Ibrahim Khalil Aly

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the eighth book in the series, "in Sciences vs. Bible vs. Quran" After reading this book or any book in this series; one may ask this: Is the Quran quoted from the Bible? As regards the Atomic and the Subatomic weight in Bible vs. Quran; we have some questions: Which book precedes the sciences? The book which mentioned the atom , the atomic weight and the subatomic weight 6 times or the book which does not mention at all the atom, the atomic weight and/or the subatomic weight? In addition, the Bible says: The worlds smallest seeds is the mustard seed The worlds largest of all plants is not the mustard tree However, the Scientists says: The worlds smallest seeds is the epiphytic orchids The worlds largest of all plants is the giant sequoia In this book, you will read about: The Atomic weight in the Bible The Subatomic weight in the Bible Bibles editors vs. the smallest things Neither a period nor a comma will disappear from the Bible Even the smallest..
