

The 7 Power Words: A Guide to a Truly Happy and Meaningful Life

By Letty R Vendramini

Morgan James Publishing, United States, 2009. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.In my past professional experiences as a Social Worker-Counselor and Private Practitioner, I had the opportunity to deal with clients of all walks of life - the rich and famous and poor alike - coming from various ethnicities, demographics and age, experiencing myriad of life's challenges ranging from career and family issues, negative relationships, psychological problems, health matters, social constraints and unmanageable structural problems. I learnt and saw from my clients that the world is filled with unhappy people who do NOT know what to do with their problems and negative circumstances because they do NOT have the proper knowledge, the appropriate skills and the right words to communicate their needs to enable them to act and implement strategies to enable them to solve and improve their unfavorable situations and find success, fulfillment, health, wealth, joy, true happiness and meaning in life. Having dealt with the real-to-life situations of my individual clients, coupled with my professional background in Philosophy in knowing and understanding not only the physical but the metaphysical aspects of life, it is...
