Telemachus Press, LLC, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Confused and dazed, Nathan King wakes up one day freezing cold and starving on a tattered mattress in a dark cave and has no idea where or who he is. Edward Sole, a mysterious man who claims to be his protector, says a nuclear bomb has been dropped and most of the world has been destroyed. Slowly the realization sinks in that in this horrific post-apocalyptic landscape, there are no rules, no laws. Cannibalism is rampant, mutant animals and humans are on the attack. With all communication cut off, and meagre supplies, every day becomes a fight for survival and sanity. To make matters worse, a band of savages called The Neanderthals have emerged. They rape, pillage and murder for more than just survival. They enjoy it. Fighting for their lives and hoping to find a more hospitable island off the coast of Prince Edward Island, Ed and Nathan team up with Cadence Whitaker, Nathan s girlfriend whom he has no recollection of, and fierce warrior Velvet Jones, and hatch a plan to escape before they re all killed. In the meantime, Ed has begun a slow descent into madness, leaving them wondering who the enemy really is. A lightning-paced, action-packed exploration of a terrifying existence in a wasteland decimated by mankind s stupidity.
