Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. We've all gotten used to life's disappointments, but how many of us can look back at them and laugh? On the Lighter Side of Forever teaches that there are things in this world that are infuriating, nonsensical, and sometimes just plain silly. You either go crazy-or you learn to laugh your troubles away. Millions look for the answers while kneeling to pray, giving money to this year's hottest motivational speaker, or twisting into a yoga pose, but few do it the best way: sipping a cup of coffee and reading this book (which will be a heck of a lot easier on your back!). Now, Lavell has nothing against motivational speakers (we've all got to make a living) or against the Big Guy Upstairs, but he does think we'd all be better off if we stopped searching for the meaning of life and just focused on the little things. This inspirational, no-nonsense guide won't give you the secrets to enlightenment or world peace, but it will teach you to appreciate the present a little bit more. Join Lavell as he tackles every subject from the Tooth Fairy to the Donald in this wildly funny ride through life's daily curiosities.
